

Press Release

Rialto Selected as Official Supplier to London & Partners (FDI)

London: Thursday 13th October 2011

Rialto has entered into an innovative new partnership with London & Partners, Foreign Direct Investment (FDI) and its clients. As an official partner, Rialto will be providing executive search and interim management services together with its unique change management and transformation solutions to companies setting up in the UK and Europe.

Rialto was selected by London & Partners to form a strategic alliance due to its high success rate of assisting start up organisations needing to source exceptional senior executive talent to lead their new operations in the UK.

London & Partners is the inward investment organisation for London and connects international businesses to the capital, helping them set up, succeed and grow. London & Partners is a not-for-profit public private partnership, funded by the Mayor of London and a network of commercial partners.

John Schonert, Director of Rialto Executive Search said "I am thrilled to be working with London & Partners (FDI). Rialto is committed to sourcing and delivering outstanding individuals for new London & Partner companies and assisting them to create a high performance organisation here in the UK."

About London & Partners:

London & Partners: Foreign Direct Investment (FDI) connects international businesses to London, helping them set up, succeed and grow. They open up direct access to expert and experienced professionals, who advise and guide overseas companies through every aspect of locating and doing business in London.

Their experts work with government and the business community to provide access to the best people, places and opportunities in the city. We promote London as the first choice for any overseas business expanding into the UK or Europe — from start-ups to established international companies.

Every 3 days they help, on average, one overseas company to set up or expand business in London. With offices in London, Beijing, Mumbai, Berlin, New York, San Francisco, Paris, France, Shanghai, Australia and Seoul, their expert and experienced professionals advise new entrants to the UK/European market on every aspect of locating and successfully conducting business in London.
