

Rialto is situated between Staple Inn buildings and Southampton Buildings, in London's mid town.

The offices are a 2 minute walk from Chancery Lane Station, where you'll need to take exit 3 or 4. Upon exit, follow the passageway adjacent to Café Nero (Staples Inn Buildings) to the end, turning into the gates which will be on your right.

Our building will be the first on your left.

Due to increased security there is an intercom on the left hand side of our door, may we request that you please press the arrow button up for "Reception" then call to gain access.

We are also an approximate 10 minute walk from both Holborn (Central & Piccadilly lines) and Farringdon station (Metropolitan, Hammersmith & City and Circle lines).

The offices are also close to both City Thameslink and National Rail networks.
